Dear Foundation Members,

Ewing Automotive is pleased to welcome you as a member of the 2009 Northern Texas PGA Junior Golf Foundation. You have joined one of the leading junior golf programs in the country, featuring more than 225 playing opportunities. I encourage you to take full advantage of the tournament stops on the Ewing Automotive Junior Tour this summer as well as the many other programs the Foundation has to offer.

The emphasis of the Ewing Automotive Junior Tour is involvement. Yes, awards will be distributed to the top finishers at each event; however, the focus will be courtesy on the course, safety, playing by the rules, and consideration for other players and above all else HAVING FUN!

Ewing Automotive is honored to be affiliated with the Northern Texas PGA Junior Golf Foundation, and we are excited to support the continued personal and competitive development of kids and young adults through the game of golf. Through the Ewing Automotive Junior Tour kids will learn the positive aspects that accompany learning and playing golf, including integrity, discipline and sportsmanship. These are important lessons applied to golf and life in general.

Golf has a storied history and a wealth of traditions that are worthy of your time to learn about and experience first hand. The State of Texas has played a significant role in golf and is home to many great players – both past and present. The Northern Texas PGA Junior Golf Foundation and the Ewing Automotive Junior Tour are proud to have Justin Leonard, 1997 British Open Champion and Northern Texas PGA member, serve as spokesperson for the Foundation.

Ewing Automotive is proud to be a part of your junior golf experience. Thank you for participating in this outstanding program, and please accept my best wishes for a fun-filled season of great golf experiences.

Yours Truly,

Dear Junior Golfer,

As a junior golfer growing up in Dallas I had the opportunity to participate in numerous tournaments, including Northern Texas PGA Junior Golf Foundation events. The experience I gained from junior golf prepared me for competition at the high school, collegiate, and PGA TOUR levels.

The NTPGA Junior Golf Foundation offers junior golfers a wonderful opportunity to gain valuable experience in a safe and competitive environment. Through the Ewing Automotive Junior Tour, members can gain tournament experience; learn the Rules of Golf, etiquette, and much more. The programs are structured to handle everyone from beginners to advanced players.

I encourage you to take advantage of all the programs the NTPGA Junior Golf Foundation has to offer. Remember, golf is a game, so go out and have fun. I wish you all a successful 2009, and I look forward to seeing you at some of the Ewing Automotive Junior Tour events.

Sincerely,

A handwritten signature in black ink, appearing to read "Justin Leonard". The signature is stylized and cursive.

Justin Leonard, PGA Member
NTPGA Junior Golf Foundation Spokesperson

Dear Junior Golfer,

The Northern Texas PGA Junior Golf Foundation is pleased to provide you with this online informational handbook. This online handbook is designed to be a guide for you and your family, providing valuable information in planning your Junior Golf activities in 2009. The NTPGA Junior Golf Foundation was formed in 1983 with the mission of introducing the game to children of all ages and socioeconomic backgrounds. As part of this mission, the NTPGA provides playing opportunities in the Metro area as well as East and West Texas for boys and girls of all skill levels. In addition, the Foundation strives to impact the community by introducing thousands of children annually to golf through summer recreation programs and the Golf In Schools program, which introduces golf in physical education classes and administers a scholarship program for all Foundation members.

In addition to Fin Ewing and Ewing Automotive, we would also like to recognize and thank all of our corporate partners and individuals who support the Northern Texas PGA Junior Golf Foundation. Through this collective support, we are able to provide affordable junior programs to the children of our communities.

We are fortunate to have Justin Leonard serve as the Foundation spokesperson. Justin is the 1997 British Open Champion, as well as a Northern Texas PGA Member. There is not a better representative to help the NTPGA Junior Golf Foundation continue the grand tradition and rich history that makes golf a game for a lifetime.

Whether you are a junior golfer, parent, or interested individual, we invite you to get involved with the NTPGA Junior Golf Foundation and the great game of golf. We have several exciting enhancements planned for this year; however, we are always looking for new ways to improve our programs. Please feel free to contact me by email at tony@tmgolflessons.com with feedback or ideas. On behalf of the Northern Texas PGA Board of Directors, Junior Golf Committee, and staff, we wish you well and look forward to a safe and productive 2009 season.

Your Friend,

SUGGESTED GUIDELINES FOR SELECTING A TOUR LEVEL

Members will have the right to place themselves in any tour level at the beginning of the season. However, the Foundation reserves the right to place members in certain Ewing Automotive Junior Tour levels based on their performance.

It is suggested that members (both boys and girls) use the following guidelines when selecting Tour Levels:

<u>Average Score (9 holes) / (18 holes)</u>	<u>Tour Level</u>
Higher than (50) / (100)	Prep Tour
Lower than (50) / (100)	Medalist Tour
Lower than 90 (18 holes)	Masters Tour

If during the play of any Metro Medalist tournament a player shoots higher than 120 in two (2) events during the series (i.e. Ewing Automotive Junior Tour), that player may be re-assigned to the Metro Prep Tour for the rest of that series. If during the play of any Metro Masters tournament a player shoots higher than 100 in two (2) events, that player may be re-assigned to the Metro Medalist Tour for the rest of that series. Any player that does not turn in a score card will be deemed to have taken the nine (9) stroke limit on each hole.

ON-SITE CHECK-IN POLICY

If a tournament is using a shotgun start, all participants must check-in or be in line to check-in 30 minutes prior to the scheduled start of the tournament.

EXAMPLE: If a tournament is scheduled to begin with an 8:00 a.m. shotgun, a participant must be checked-in (or in line to check-in) by 7:30 a.m. Otherwise, the Foundation reserves the right to cancel the participant's registration and use it for a walk-up participant. If you arrive after the registration window has closed, you will be added to the bottom of the walk up list and put into the tournament on a space available basis. You are not guaranteed entry into the tournament if you miss the registration window. If you do not get into the tournament you will be given a refund less the cancellation fee.

If a tournament is using a tee time start, all participants must be checked-in and at their designated starting hole at their assigned starting time.

NOTE: Prompt attendance is required of all players and time of starting penalties shall be consistent with Rule 6-3 and the Note to Rule 6-3 in the USGA Rules of Golf. Each contestant is responsible for obtaining his/her starting time.

WALK-UP POLICY

Walk-up lists will be used to place members into events that they were not otherwise entered for. The list will begin the morning of the event when the NTPGA staff or official in charge arrives approximately an hour and a half before the scheduled start of the event. **No other list should be signed or circulated until the NTPGA staff or official in charge starts the official walk-up list the day of the event. Any such list will be disregarded.**

Members on the walk-up list will replace no-shows on a first-come, first-served basis within the applicable age group. Members, if placed in the tournament, must pay the appropriate entry fee on site or have an account credit with the NTPGA that will cover tournament fees; without sufficient funds players will be denied entry. The NTPGA does not guarantee that signing the walk-up list will ensure a spot in the tournament. **Anyone walking up to an event will be subject to an additional \$10.00 processing fee.**

BREAKING TIES

In Medalist and Prep Tour events the NTPGA official policy for breaking ties is the same as defined by the USGA in Appendix I, by matching score cards. The method of matching score cards to determine the winner will begin by using the last nine (9) holes of the tournament. If the players have the same score for the last nine (9), we will use the last six (6) holes, last three (3) holes and finally the 18th hole. If this method is used in a competition with a multiple tee start, it is recommended that the “last nine holes, last six holes, etc.” is considered to be holes 10–18, 13–18, etc. If after proceeding with this method the winner has yet to be determined, we will continue on by comparing score cards from the 17th hole and continuing backwards by comparing the 16th hole, 15th hole, etc. until a winner has been determined. In Masters Tour events all ties, for **first place only**, will be decided by a sudden-death play-off. Ties for second and third place will be broken using the NTPGA score card playoff policy.

NO SHOWS & NO CARDS

It is the responsibility of the participant to notify the Foundation office when canceling out of a tournament. When canceling on the day of the tournament, members must notify the Foundation by canceling online or using the cancellation line. Any member who does not will be considered a “No Show.”

All participants must return their score card to the scoring area immediately following play. Any participant who fails to return their score card after the round will be considered a “No Card” and will be deemed to have taken the nine (9) stroke limit on each hole. Participants withdrawing during play of an event **MUST** return their score card to the scoring area and notify a Foundation official before leaving the facility; otherwise, they will be considered as a “No Card” participant.

DECLARING UP

Members may declare up to an older age division, which may allow them to play in an event not otherwise open to them. If a member declares up, he/she must play in the older age division for the entire series (summer, fall, or winter) and must play by the applicable rules and regulations of that tournament. In order to declare up, members must complete the Foundation's Age Division Declaration Form which is available on the main page of the Foundation's website under the Forms and Documents heading.

ARRANGEMENT OF STARTING TIMES & GROUPINGS

Starting times and pairings for all Prep, Medalist and Masters Tour events will be done on a blind draw, based on age group and gender, or as otherwise determined by the NTPGA Junior Golf Foundation. For each event the Northern Texas PGA will pair the top 1/3 of the division based on their NTPGA scoring average over the last twelve (12) months.

For all events, requests for starting times or specific groupings will not be accommodated. Players shall start at the time and the order arranged unless otherwise informed by the Rules Committee. Prompt attendance is required of all players at their starting point of each round. Time of starting penalties shall be consistent with Rule 6-3 and the Note to Rule 6-3 in the USGA Rules of Golf. Each contestant is responsible for obtaining his/her starting time.

SPECTATOR GUIDELINES

The NTPGA Junior Golf Foundation encourages spectators to attend tournaments. However, the Foundation requires all spectators to conduct themselves appropriately at all times.

- ◆ Spectators should stay one shot ahead of the group they are following. This allows spectators to follow errant shots and help identify where golf balls come to rest.
- ◆ Spectators are allowed to aid in the search for lost golf balls.
- ◆ Spectators should not give rulings, please seek an NTPGA rules official if the need arises.
- ◆ Spectators should stay on cart paths. In the absence of cart paths, spectators should stay in the rough. Please stay off fairways, tees and greens.
- ◆ Spectators are allowed to carry medicine, drinks, food umbrellas, etc. for players.

The USGA Rules of Golf states, "Advice is any counsel or suggestion which could influence a player in determining his play, the choice of club or method of making a stroke." The breach of Rule 8-1 (Advice) is a penalty of two strokes. With this statement in mind, please keep conversations with the player to words of encouragement only.

The Northern Texas PGA Junior Golf Foundation reserves the right to suspend and/or ban any spectator from one or more events. Failure to comply with the stated spectator guidelines may

result in the immediate removal from the host facility and/or suspension of playing privileges for the Foundation member.

SPECTATOR GOLF CARTS

Spectator golf carts will be available at the discretion of the host facility; it is the players' responsibility to obtain the course policy. If spectator golf carts are permissible:

- ◆ Only two riders are allowed in a golf cart at one time.

NTPGA JUNIOR GOLF FOUNDATION PLAYER OF THE YEAR

The following divisions will earn points throughout the entire year for the NTPGA Junior Golf Foundation Player of the Year. Any points earned within an age division will stay in that age division for the entire year, and any points earned within a Chapter will stay in that Chapter for the entire year. (e.g. if a player earns points as a 13 year old in the Boys 12-13 division during the Spring Break series, but will turn 14 in May and plays in the Boys 14-15 division for the rest of the year, that player has earned points in two (2) separate divisions. Those points WILL NOT carry over from one division to the next, regardless of whether or not the player had a birthday or declared "up").

- ◆ All East Texas Medalist divisions
- ◆ All West Texas Medalist divisions
- ◆ Metro Prep **ages 7-11 only**
- ◆ All Metro Medalist divisions
- ◆ All Metro Masters divisions

The Northern Texas PGA Junior Golf Foundation employs a weighted points system to determine the Player of the Year. The method is commonly referred to as the 6/12 divisor and it works by dividing the total number of points earned by the number of tournaments played with a minimum of 6 and a maximum of 12. What this means is that if a player has played 6 or fewer tournaments, their point total will be divided by 6. For example a player earned 300 points through the first 5 events, that player's points will equal 50.0 (300 points divided by 6 events). When the player plays a number of tournaments between 6 and 12, their total points will be divided by the actual number of events played. E.g. Player A has earned 640 points over 8 events, their point total will be 80.0 (640 points divided by 8 events). Finally when a player plays in at least 12 events, their point total will always be divided by 12 regardless of the number of events in which the player has played.

Due to the limited number of events on the East Chapter schedule and the Masters Tour, the Foundation will employ the same system using a 4/8 divisor to calculate points.

CODE OF CONDUCT

The NTPGA Junior Golf Foundation takes great pride in the quality and conduct of its players, host facilities, and sponsors. The Foundation requires all members to adhere to a set of guidelines known as the Code of Conduct. The purpose is to help all Foundation participants grow and mature by understanding and accepting the consequences of their actions, both on and off the golf course.

1. Violations of the Code of Conduct include, but are not limited to: abusive language, club throwing, cheating, disrespect of volunteers, officials and host staff, abuse of the golf course, use of smoking or chewing tobacco products, drugs or alcohol, not adhering to the dress code, leaving the course during a competitive round without permission of a Foundation official, or any other conduct deemed unbecoming of a Foundation member.
2. Proper attire is required at all times at Foundation events. Failure to comply may result in disqualification. Each host facility may have additional rules and dress code requirements that must be adhered to by all Foundation members and spectators. Proper attire includes collared shirts or mock turtlenecks (host golf course permitting), slacks, shorts, golf or tennis shoes, caps and visors. Should a golf course have a stricter dress code, its policy will take precedence. It is also suggested that participants wear sunscreen. The dress code prohibits denim, short shorts, cut-offs, swimsuits, sandals, clothing containing offensive slogans, language or pictures, clothing describing or advertising alcohol, tobacco, or other drug references. The Foundation strongly suggests participants present themselves in a positive manner while representing the

NTPGA by wearing hats with the brim forward, tucking in all shirts, and removing any earrings (males).

The NTPGA Junior Golf Foundation Committee may assess any or all of the following penalties based on the severity of the Code of Conduct violation:

- a) Issue a verbal or written letter of warning to the player and his/her parent/guardian.
- b) Enforce a two-stroke penalty.
- c) Disqualify the player from the tournament where the violation occurs.
- d) Suspend the player for a portion of the series or the remainder of the series and/or year.
- e) Suspend the player's membership indefinitely.

ASSUMPTION OF RISK

By entering and competing in a Northern Texas PGA Junior Golf Foundation sanctioned tournament, you assume all risk and danger incidental to the game of golf and release Northern Texas PGA Junior Golf Foundation sanctioned tournaments and competitions and their host sites, sponsors, host organizations, Northern Texas PGA, participating players, and all agents thereof from any and all liabilities resulting from such cases.

You agree not to transmit or facilitate transmission of any account, description, picture, or reproduction of any Northern Texas PGA event, including, without limitation, scoring related data, without the specific advance written permission of the Northern Texas PGA.

GRIEVANCE COMMITTEE

In the event of a suspension, the player may submit a written account of the Code of Conduct violation to the Foundation Grievance Committee within seven (7) days of the suspension / disqualification. The Grievance Committee will review all submitted materials, including a tournament staff account of the violation. The NTPGA Executive Director and Junior Golf Committee Chairman will review grievances, all grievances must go through the appropriate channels to be considered.

2009 HANDBOOK ADDITIONS / CHANGES SUMMARY

Assumption of Risk Policy:

By entering and competing in a Northern Texas PGA Junior Golf Foundation sanctioned tournament, you assume all risk and danger incidental to the game of golf and release Northern Texas PGA Junior Golf Foundation sanctioned tournaments and competitions and their host sites, sponsors, host organizations, Northern Texas PGA, participating players, and all agents thereof from any and all liabilities resulting from such cases.

You grant permission to the Northern Texas PGA to utilize your image or likeness incidental to any live or recorded television or other transmission or reproduction in whole or in part of any Northern Texas PGA event you attend. You agree not to transmit or facilitate transmission of any account, description, picture, or reproduction of any Northern Texas PGA event, including, without limitation, scoring related data, without the specific advance written permission of the Northern Texas PGA.

Ewing Autohaus Mercedes-Benz Masters Tour:

If during the play of any Metro Masters tournament a player shoots higher than 100 in two (2) events, that player may be re-assigned to the Metro Medalist Tour.

Results from Masters Tour tournaments will have the opportunity to be Junior Golf Scoreboard Ranked.

The policy and procedure for results to be Junior Golf Scoreboard Ranked are as followed:

- Throughout the summer, the NTPGA Junior Golf Tour will select multiple 18-hole events that will have the opportunity to be Junior Golf Scoreboard Ranked.
- In order for results to be Junior Golf Scoreboard Ranked, a minimum of five (5) players in an age division must compete in both 18-hole events. NOTE: The same five (5) players must compete on both days. If only one (1) age division meets the requirement of this policy, the event will still be Junior Golf Scoreboard Ranked.
- For example, results from Masters Tour events at Cowboys GC and Gleneagles CC on July 6 and July 8 respectively will be Junior Golf Scoreboard Ranked if minimum of five (5) players in an age division compete in both tournaments.

The **Masters Tour Boys 16-18 Player of the Year** will earn an exemption into the 2010 HP Byron Nelson Junior Championship.

Ewing Automotive Buick Prep Tour:

The Coed 7-9 division will be eliminated and a **Boys & Girls 7-9 division** will be implemented. In addition, golf course set-up will include **three (3) custom sets** of tees as opposed to one (1) at Prep Tour events: Girls 7-9, Pink Custom Tees; Boys 7-9 & Girls 10-11, Yellow Custom Tees and Boys 10-11, Girls 12-14 and Girls 15-18, Orange Custom Tees. These changes have been made in an effort to improve the experience and pace of play at Prep Tour events.
