All American Tour White Bluff Resort (Old) October 6-7	1st Place: (1) Texas Cup Invitational			

In the event that a 1st place finisher earns an exemption into a tournament for which they are already exempt, we will award the exemption to the 2nd place finisher. Should the player who came in 2nd place also be exempt into that tournament, we will award the exemption to the 3rd place finisher. If the top three (3) finishers are all exempt into the tournament for which the exemption is being awarded, the exemption will default to the highest ranked player, not already exempt, on the All American Tour Points Challenge list for that age division after the points for that tournament have been awarded.

Boys 15-18 Texas State Junior Championship Exemption: The top 10 players on the All American Tour Points Challenge list in the Boys 15-18 division as of June 13, 2012 will earn an exemption into the Texas State Junior Championship at Horseshoe Bay Resort in Austin, Texas. Should any player in the top 10 on the Points Challenge list as of June 13, 2012 already be exempt into the Texas State Junior Championship, there will be no additional exemptions granted to players outside of the top 10.
