

Selecting the Proper Level of Play on the NTPGA Junior Tour

TEAM GOLF

Team Golf is for Junior Tour members ages 7-14 with beginning level golf experience and offers an introduction to tournament play through 9-hole team stroke play competition. Team Golf serves as a fun, social, less stressful approach to tournament golf, and provides junior golfers with knowledge and skills that set the stage for a lifetime of golf enjoyment. To participate in Team Golf tournaments, contact the NTPGA office or your local PGA golf professional.

PREP LEVEL

The Prep level is for Junior Tour members ages 7-18 who have achieved beginning level golf and tournament experience, and offers competitive 9-hole individual stroke play tournaments. The Prep level provides additional opportunities for skill development and tournament experience. Prep level tournaments are conducted throughout the year in the Metro Area.

MEDALIST LEVEL

The Metro Medalist level is for Junior Tour members ages 11-18 with tournament experience and a wide range of playing ability. Tournaments offer 18-hole individual stroke play competition and are conducted throughout the year in the Metro Area.

The East and West Area Medalist Levels are for Junior Tour members ages 7-18 with tournament experience and a wide range of playing ability. Players ages 7-10 in the East and West Areas compete in 9-hole individual stroke play competitions, much like the Prep level in the Metro Area. Players ages 11-18 compete in 18-hole individual stroke play competitions. These events are conducted throughout the year in the East and West Areas.

ALL AMERICAN TOURS

The All American Tour is for Junior Tour members ages 11-18 with a higher level of tournament experience and ability. Tournaments are 36-hole stroke play competitions conducted over two days, with 18-holes played each day. All American Tour tournaments are conducted throughout the year in all areas of north Texas.

The Junior All American Tour is for Junior Tour members ages 7-10 with a higher level of tournament experience and ability. During non-summer months the tournaments are 18-hole stroke play competitions conducted over two days, with 9-holes played each day. During the summer months of June, July and August, tournaments are single day, 9-hole stroke play competitions. Junior All American Tour events are conducted throughout the year in all areas of north Texas.
