Deadline Fast Approaching for **Texas** **Boys & Girls PGA** **Championship**

**"The State Championship for Junior
Golfers 12 Years and Younger"**

[REGISTER NOW!](#)

Registration is available for the Texas Boys & Girls PGA Championship. This inaugural tournament is brought to you by the Northern Texas PGA Junior Golf Foundation and Children's Medical Center. The Championship will be held at Brookhaven Country Club on Monday, July 12 - Tuesday, July 13. The deadline to register for this event is **Wednesday July 7, 2010 at 11:59 p.m.**

This Championship is for the state of Texas' junior golfers 12 years of age and younger, and will serve as their "State Championship."

The Championship will be conducted over 36 holes for boys and girls ages 8 to 12 and 18 holes for boys and girls 7 and under.

Patrick is originally from Dallas, TX and is currently attending Baylor University working towards becoming a Communications Specialist.

His hobbies include golfing, listening to music and art. In his spare time he likes to sketch and record music with his friends.

Patrick chose to intern at the NTPGA because he thought it would be a great working experience, and a way to give back to the organization that helped him so much when he was a junior golfer.

Children's Medical Center Health & Safety Tip of the Week

Testing the Waters

In Texas, pools are synonymous with summer. But what, exactly, is in the water? A recent study from the Centers for Disease Control and Prevention found that about one in eight pool inspections led to immediate closure because of violations such as low disinfectant levels. The causes were often urine, sweat and dirt from children, as well as the shallowness of the water. The CDC recommends buying test kits from hardware stores and checking the water at public pools. Also, should avoid swallowing pool water. Want to read more about this topic? Visit the [Children's Medical Center blog](#).
